The Joy of Jewelry

Jewelry has a way of capturing emotion in a small box. Many of you are familiar with the smile that comes when a King's Jewelers box is opened on Christmas morning. We are so thankful to be a part of that joy—it's what keeps us energized during this busy season!

If you would like to make the holidays special for those on your list, we are here to make it easy for you. We have a range of gift options from diamond bracelets to fashion-forward sterling silver. Our creative team is standing by to help you create one of a kind gifts.

Come join us at our Holiday Open House on December 9th to celebrate the festivities of the season with us, and make a purchase anytime in November & December to be entered in our customer appreciation drawings.

We are committed to serving you with integrity and a personal touch. Jewelry has been a part of our family for over 100 years, and it is our joy to help you find gifts that will bring lasting joy.

A New King's Collection exclusive: Bainbridge

Bainbridge is an elegant modern design featuring a matte finish and bezel setting with milgrain. It stacks great with other bands, too! This design can be modified for different stone sizes, shapes, and types.
